2017-18

Pravara Rural Engineering College, Loni

Training and Placement Report

It is our great pleasure to put forward T&P report of 2017-2018 of Pravara Rural Engineering College (PREC), Loni. The institute has well qualified, devoted and dedicated team of staff. Quality education is provided to students to meet challenges of globalization with state of art equipment and laboratories.

We are confident at PREC industries would find candidates meeting their requirements in practically every field of interest to their organization. It will be our pleasure to present our training and placement report in front of you. The Training & Placement Cell provides all audio visual facilities for presentations, conferences, written test, group discussion and personal interviews. After confirmation by the company, a pre-placement talk and interview can be arranged on a mutually convenient date. If a company desires to hold online tests for the candidates, the arrangements will be made in the computer center on prior intimation. Up to 100 students can take up the test at a time.

We have energetic and dynamic team working in training and placement cell. With the same spirit in order to tie-up with industry around the region we started developing our local placement cell under the guidance of our education society. The T & P Cell ensures that each and every student of the Institution gets an opportunity to be selected for placement in the suitable industries. They are trained and groomed to face the hurdles arising in the selection process and interviews.

We aim at building a complete personality in our students, professionally, socially and morally. The residential campus helps us in achieving this goal by providing academic liberty to innovate and come out with novel ideas. We assure that the industries will be benefited from these young and dynamic minds.

It gives us immeasurable pleasure to report that around students have been selected during in campus and off campus interviews in 83 different Industries for 2017 batch even before they have appeared for their final semester exams.

Following Activities are performed under T&P Cell.

A) Training Activities

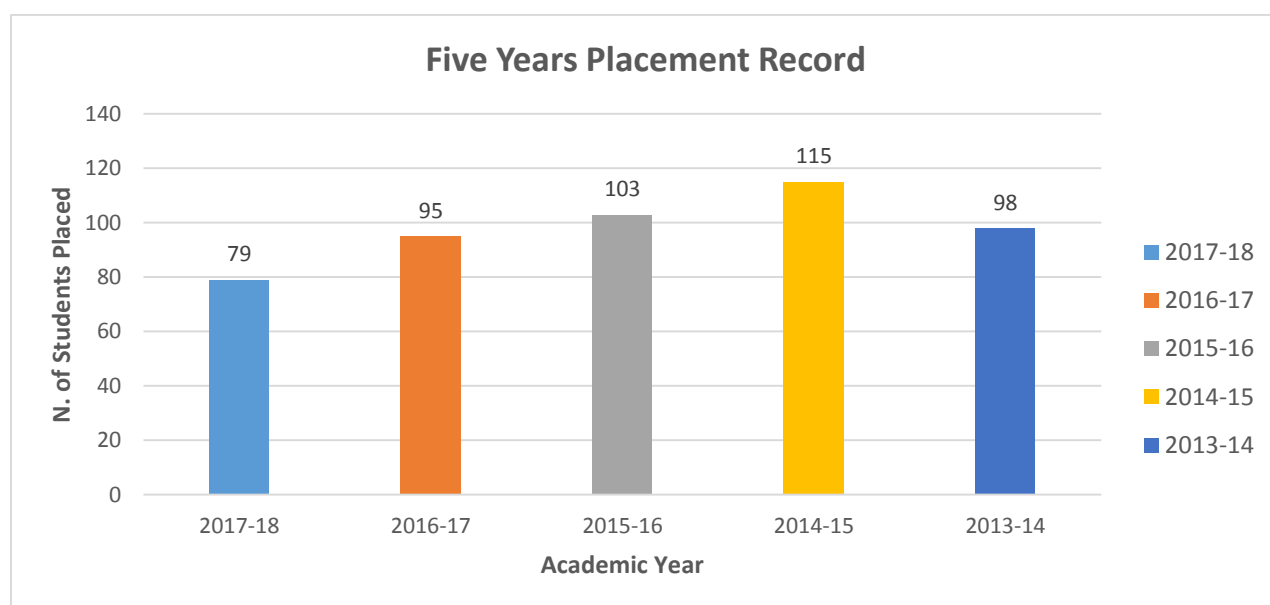

Career guidance talks from Corporate/Renowned speakers. Workshops and Seminars are organized on Technical, Aptitude, Interview-handling skills and Interpersonal Skills. Special Training programs on communication, soft skills and aptitude for campus recruitment process to enhance students employability skills. Personality development sessions, pre-placement talks, mock tests etc. are conducted to prepare students for campus placement. Also we provide opportunities to students like Industrial visits, live projects from industries, internships etc.

B) Placement Activities

Invite corporate companies for on campus recruitment of final year students. Organizing HR meet. The Placement Cell acts as a catalyst by concentrating on actions that enrich the students' career development and employability. Post selection process coordination between student and company.
