Internal Quality Assurance Cell (IQAC)

Perspective Plan

1. Vision and Mission of Institute

Vision:

Enrich the youth with skills and values to enable them to contribute in the development of society: nationally and globally.

Mission:

To provide quality technical education through effective teaching-learning and research to foster the youth with skills and values to make them capable of delivering significant contribution in local to global development.

2. Introduction of Perspective Plan

Perspective plan is a blueprint of efforts made by the institution to impart quality education and achieve its vision and mission.

Accordingly, institute has planned to prepare the short term and long term perspective plan for the year 2019-20 to 2023-24

So, while preparing the perspective plan, Internal Quality Assurance Cell (IQAC) of the institute has taken utmost care that due consideration is given to the requirements of all the stakeholders. The perspective short term and long term plan draft was prepared and discussed with the members of the IQAC and also it is discussed with stakeholders namely Management, Head of the Departments, Teachers, Students, Alumni and Parents. IQAC plays crucial role in the formulation of the plan. The finalized plan was approved in the Governing Body (GB) of the institute.

3. Aim and objective of the perspective plan

The IQAC has identified the Aims and objective of the perspective plans to achieve the vision of the institute considering its present status.

- i. To continue with the sustained quality system guided with conscious, consistent and programmed actions.
- ii. To create a healthy and innovative educational environment for students embedded with commitment to excel in varied field.
- iii. To foster a feeling of social commitment among the students.
- iv. To provide technical competencies of global standards.
- v. To give impetus to the hidden talents of students.

4. Perspective Plan

The perspective plans of the institute are divided into short term plan (1 to 5 years) and long term plan (5-10 years). The short term and long term plans are as follows:

Short Term Plan (1-5 years)

1. Organization of Soft / Technical skill based training and value added courses
2. Implementation of effective Teaching and Evaluation process
3. Promotion of Research, Innovation and Extension activities
4. Upgrading the Academic and Administrative infrastructure
5. Enhance the Training and Placement Activities
6. Student Support and Staff Empowerment
7. To make Eco-friendly and Green campus

Long term plans (5-10 years)

1. National Board of Accreditation (NBA) of eligible programs.
2. Promote Innovation, Incubation, Research, and Entrepreneur culture in the institute.
